**Presentation:** Wayne LeClair told the members about the exploits of his uncle Ambrose Allie. His Uncle parachuted into Normandy on D-Day, he and other soldiers were captured and were about to be executed when they were rescued by another "Band of Brothers". His war adventures took him on a second jump into Holland and ending with the famous stand off at Bastogne during the Battle of the Bulge. Wayne's cousin Steven LeClair sent him a check for \$100.00 to give to the Post. His cousin was reminiscing about Ambrose and remembered the tribute the Post gave to Ambrose 5 years ago, just before he passed away.

**Packer Raffle:** Raffle ticket returns and donations have been pretty slow this year. Members are only asked "Once" a year to help with finances using the sales of raffle tickets. This year more than ever your help is needed to help maintain the clubhouse in good condition.

**MyLegion:** The Adjutant gave a short presentation about the American Legion website MyLegion.org. Members would be able to access a lot of Legion updates and some current VA news.
